2. **Delivery:** Delivery must be in strict compliance with the schedule contained in this Order and shall be made by Seller at such times and places and of such items and quantities as may be specified by Buyer. Parts fabricated in excess or in advance of Buyer’s release are at Seller’s risk. Buyer reserves the right to return to Seller, at Seller’s expenses, all goods received more than seven (7) days ahead of the required delivery date. Buyer reserves the right, without loss of discount privileges, to pay invoices covering items shipped in advance of the schedule on the normal maturity after the date specified for delivery. If Seller fails to meet its scheduled delivery dates and Buyer elects to call for expedited shipments, Seller will pay the difference between the method of shipping specified and the actual expedited rate incurred. Seller shall be responsible for any additional charges resulting from the deviation from Buyer’s routing instructions. Should Buyer accept goods which are not delivered on or before the required delivery date, which option Buyer reserves, the Seller shall be liable for all additional costs incurred by the Buyer because of such delay(s) including, but not limited to, telecommunication costs, additional or premium transportation charges, special handling expenses, and costs to Buyer to install the materials out of normal manufacturing sequence, in addition to other remedies available by law to Buyer. Title and risk of loss shall remain in Seller until goods are delivered to the F.O.B. point specified herein. Notwithstanding such delivery, Seller shall bear risk of loss or damage to goods purchased hereunder from the time that Buyer gives notice of rejection of goods pursuant to the inspection provisions of this Order. If Seller encounters or anticipates difficulty in meeting the delivery schedule, Seller shall immediately notify Buyer in writing, giving pertinent details; provided, however, that the receipt of such data shall be for information purposes only and shall not be construed as a waiver by Buyer of any delivery schedule or date or of any rights or remedies provided by law of this Order. If Seller fails to make delivery promptly and regularly as required hereunder, Buyer may, in addition to other remedies available by law, terminate this Purchase Order in accordance with paragraphs of this Order entitled “Termination for Default”. Nothing contained in this Paragraph shall prevent termination by Buyer under the provisions of the “Termination for Default” paragraphs of this Order.
3. **Shipping Instructions:** Seller agrees to prepare and properly box or crate goods for shipment so as to prevent damage in transit, to comply with Buyer’s shipping instructions and/or routings, and to describe the goods on the bill of lading in conformity with appropriate freight classifications. Seller agrees to permit inspection and testing by Buyer of all goods furnished in performance of this Order during manufacture, where practical, and at all other times and places. All goods shall be received subject to Buyer’s inspection and acceptance or rejection. Inspection or testing of, or payment for any goods shall not

constitute an acceptance thereof. Acceptance by Buyer does not relieve Seller of liability for latent defects, fraud, or such gross error or defects as amount to fraud. Buyer shall have the right to reject any goods found not to be in compliance with the warranty provisions, the specifications or other requirements of this Order. The obligations of this paragraph shall survive the cancellation, termination, or completion of this Order.

Such warranties together with Seller's service warranties and guarantees, if any, shall survive inspection, test, acceptance of, and payment for the goods and shall run to Buyer its successors, assigns, customers at any tier, and ultimate users and joint users. Except for latent defects, notice of any defect or nonconformity shall be given Buyer to Seller within fifteen (15) months after acceptance by ultimate user. Buyer may, at its option, either (I) return the same for credit or refund (without Seller having any right to furnish conforming goods); (ii) require prompt replacement of the defective or nonconforming goods, or (iii) have the defective item corrected or replaced at Seller's expense and deduct the costs thereof from any monies due Seller. Such goods will be held for Seller's instruction and at Seller's risk, or at Buyer's option, will be returned at Seller's risk. The return to Seller of any defective or nonconforming goods and delivery to Buyer of any corrected or replaced goods shall be at Seller's expense. In most cases, Buyer's packing sheet, which accompanies goods returned, will indicate whether goods are to be corrected, replaced or credited to Buyer. No goods thus returned will be replaced or corrected by Seller without Buyer's written instructions. Goods which have been rejected or required to be corrected shall not thereafter be tendered for acceptance unless the former rejection or correction requirement is disclosed in writing. Goods required to be corrected or replaced shall be subject to the provisions of this Paragraph in the same manner and to the same extent as goods originally delivered under this Order. The obligations of this Paragraph shall survive the cancellation, termination, or completion of this Order.
7. **Changes:** Buyer shall have the right at any time to make changes in one or more of the following: (I) drawings, designs or specifications, (ii) method of shipment or packing and changes in delivery schedules, (iii) place or time of delivery or performance, and (iv) the quantities covered by this Order. 8. **Equipment and Furnished Property:** (a) Unless otherwise agreed in writing, Seller shall furnish at its own expense all special dies, tools, jigs, fixtures, equipment and patterns used in the performance of this Order, the same to be kept in good condition and to be replaced by Seller when necessary without expense to Buyer, (b) Unless otherwise agreed in writing, all special dies, tools, jigs, fixtures, equipment patterns, drawings or other manufacturing data (including all copies of reprints thereof), furnished by the Buyer, or specifically paid for by Buyer, shall be the property of Buyer and subject to removal at Buyer's request, and shall be used only in filling orders from Buyer and shall be subject to the provisions of the "Data" paragraph of this Order. Said items shall be held at Seller's risk and shall be kept free from liens or encumbrances of any nature and insured at all times by Seller in an amount equal to the replacement cost thereof, with loss to be paid to Buyer. Written notice of loss or damage shall be furnished to Buyer within seven (7) days from the date thereof; (c) Unless otherwise agreed in writing, all tool charges not conveying outright title to the tools from Seller to Buyer shall obligate Seller to keep the tools in good condition and repair or replace them as may be required by Buyer, without additional charge to Buyer. Such tools shall be held for the exclusive use of Buyer and shall be released to Buyer upon its request at no charge to Buyer. furnished by Seller pursuant to Buyer's drawings or designs, provided Buyer gives Seller prompt notice in writing of any such changes, and of the institution of any such suit of which it has knowledge. Seller further agrees that in case of a final award of damages in any such suit, it will pay such award and will indemnify and hold harmless Buyer and all persons claiming under Buyer in respect to such award, court costs, attorney fees, and expenses incurred by reason thereof. Seller shall resume work upon cancellation or expiration of any Stop Work Order. An equitable adjustment shall be made in the delivery schedule or prices hereunder, or both, and this Purchase Order shall be modified in writing accordingly if the Stop Work Order results in an increase in the time required for the performance of this Order or in Seller's costs properly allocable thereto.
